# WELCOME TO MACEWAN

Find yourself in the heart of downtown Edmonton. Discover your passions and build the foundation for a flourishing career, learn great things on your own terms and timelines, and immerse yourself in a community that will support you throughout your university journey.

We acknowledge that the land on which we gather in Treaty Six Territory is the traditional gathering place for many Indigenous people. We honour and respect the history, languages, ceremonies and culture of the First Nations, Métis and Inuit who call this territory home.

The First People's connection to the land teaches us about our inherent responsibility to protect and respect Mother Earth. With this acknowledgement, we honour the ancestors and children who have been buried here, missing and murdered Indigenous women and men, and the process of ongoing collective healing for all human beings. We are reminded that we are all treaty people and of the responsibility we have to one another.

**A MESSAGE FROM DR. ANNETTE TRIMBEE***President and Vice-Chancellor*

Thank you for exploring the exciting programs and supportive services we offer at MacEwan University. As you flip through the pages of our viewbook, there is one important thing I hope you take away: a sense of anticipation. Because tucked inside that single feeling are all kinds of possibilities. The opportunity to experience teaching greatness and learn things you never even imagined from professors genuinely focused on you and your success. The chance to connect with people and make new friends. And, most importantly, the ability to pursue your greatness – no matter what you decide to study or which career you choose.

We are delighted that you are considering joining our vibrant university community in the heart of downtown Edmonton. We have a lot to offer. And we know you do, too. Get ready for an incredible university experience. We can't wait to meet you!

# OUR PLACE

## We are a young university with a rich past.

Since we first opened our doors as a community college in 1971, MacEwan has been dedicated to growing and shaping the future of Alberta. We build our programs to remain ahead of the curve, setting our students up for success and growing our institution in a sustainable way.

Our City Centre Campus in the municipal ward O-day'min connects us to our place on Treaty 6 territory and places us at the heart of vibrant, diverse communities, businesses, partnerships and learning opportunities. Our growing

campus is steps away from world-class sports venues, museums, stores, galleries, restaurants, libraries and theatres.

As we evolve into Edmonton's premiere undergraduate university, our focus has always been teaching greatness - providing our students with exceptional teaching by expert faculty, a learning environment in which they can flourish and a welcoming community dedicated to their success.

## A LOCATION LIKE NO OTHER

*City Centre Campus is centrally located in the heart of the city, just a short stroll away from the North Saskatchewan River valley - the largest urban park in Canada - with more than 160 km of maintained pathways.*

# GAIN REAL EXPERIENCE

Learning doesn't just happen in the classroom. Enhance your studies with hands-on, real-world experience in your field through experiential learning.

Many of our programs provide **work-integrated learning opportunities, community-engaged learning, field placements or co-op programs.** These allow you to tackle real projects and problems as you learn the ins and outs of your career, build your resumé and make connections in your industry.

MacEwan works with a number of local organizations, businesses and partners to provide both paid and volunteer placements and opportunities for students. Partnerships such as the one with the Edmonton Elks create opportunities for students across disciplines; student athletes receive mentorship and massage therapy students gain hands-on experience.

Check the program pages to see what experiential learning opportunities are available.

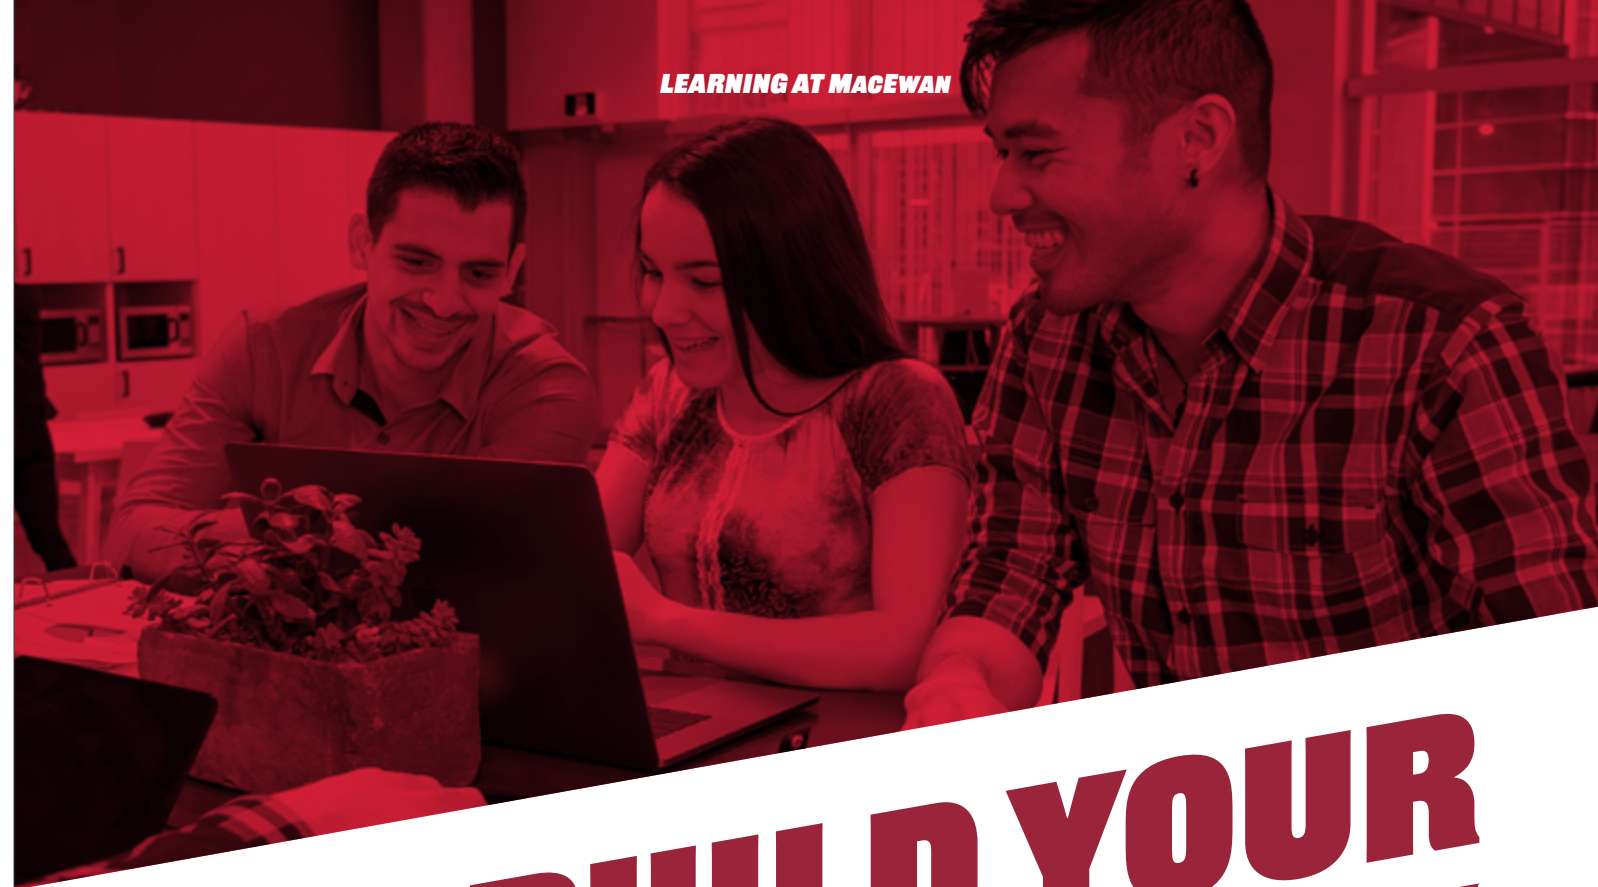

## STUDY ABROAD

Gain global perspectives by spending some time studying at one of MacEwan's partner institutions in many exciting international locations. Study or complete internship requirements while immersing yourself in new cultures and experiences.

**7,271**

## CO-OP OPPORTUNITIES

*Student works in water and wastewater tank manufacturing as part of the Bachelor of Commerce Co-op program.*

# BUILD YOUR NETWORK

“I'm certainly making connections through this experience that are going to be meaningful in my future.”

**COLE KOCH**  
*Bachelor of Communications*

Cole Koch spent eight months interning with the Northern Alberta Business Incubator, where he was able to develop a marketing strategy and interact with numerous small businesses in the area.

Not only will you begin to build your professional network through experiential learning opportunities, you will be able to connect with business owners, community builders and alumni who can help you chart your path forward as you launch your career.

More than 87,000 MacEwan alumni are making a difference in communities across the globe, but the impact is especially strong here in Alberta – over ninety per cent of our grads live and work within the province.

Powered by the Ten Thousand Coffees platform and supported by RBC's Future Launch, the **MacEwan Alumni Connection** matches students with alumni to help prepare students for their careers after graduation. Gain valuable life and career advice from alumni within the community and benefit from their experience and expertise while building your network.

# SEEK AND EXPLORE

We are a premiere undergraduate university that prioritizes great teaching and curiosity in scholarship.

Several of our faculty have received federal funding to pursue research in their area of expertise, many of whom provide opportunities for students to get involved in their work or research of their own. By bringing in student researchers, faculty members can not only forge great working relationships with these students, but also include a wider array of opinions and interpretations in the research process.

Each year, students are invited to present their research at **Student Research Day** where they give an oral or poster presentation detailing their work. From scientific experiments to art creations to community-based scholarship, these students are trendsetters and trend breakers, pursuing new hypotheses and asking new questions.

## SPACE TO OBSERVE

A dedicated lab ensures valid data collection from zebrafish, the most common research animals in neuroscience, following rodents.

## SPACE TO CREATE

Our state-of-the-art television studio (pictured) provides space for students across multiple disciplines to collaborate on new projects.

Our students and faculty have access to world-class facilities to power them forward in their studies and research.

- › Our top-notch technology, including robotic telescopes and a nuclear magnetic resonance spectrometer, and interactive lab spaces – like our **zebrafish lab** for Biological Sciences and Psychology students – allow you to investigate open-ended questions, design and execute your own experiments, and analyze and present your data and findings.
- › On the west end of campus, **Allard Hall** is home to a number of state-of-the-art facilities including a first-rate recording studio and a professional television studio. Students have access to the Triffo Theatre, a fully-equipped performance venue with professional lighting and rigging systems, as well as a multitude of drawing and design studios, photography studios and a darkroom.
- › Our **Clinical Simulation Centre** enables students from a range of programs including nursing, social work and police and investigations to apply their knowledge in real-world simulations that replicate the hospital environment. These simulations leverage actors, lifelike computerized mannequins and even virtual reality to imitate real-world scenarios.
- › The **Interdisciplinary Lab** allows practical application of clinical skills under faculty supervision for acupuncture, massage and therapist assistant students.
- › **MakerSpace**, located in the John L. Haar Library, is a hub for innovation and creative activity. Use 3D printers, learn coding, create textiles and multimedia projects - or borrow tools and technology, such as vinyl cutters and 360-degree cameras.

“Throughout this process, I’ve learned to enjoy the journey rather than the final destination.”

**VY TRAN**  
Bachelor of Science

Vy Tran is researching the formation of stars, blending her love of astronomy with her passion for physics and computer science.

# STUDENT SUCCESS

## **PAWSS**

*(Pets Assisting with Student Success)*

*MacEwan is the first Canadian university to implement a not-for-profit animal therapy program for students' wellness. Meet new furry friends and take care of your mental health at the same time.*

## **STUDENT LIFE**

**We're here to support you throughout your time as a student. Whether you need a little help with coursework or just someone to talk to, there's a place on campus that can help.**

### **ACADEMIC AND CAREER**

#### **Academic Advising Centre**

Reach out to the Academic Advising Centre with any questions about applying or changing your program. Individual faculties and schools also have academic advising options for information specific to your program.

#### **Careers and Experience Office**

Get advice on your chosen career path, expand your learning with webinars and extracurricular activities, and get access to a job board when you're ready to start working in your field.

#### **First-Year Mentorship Program**

We'll connect you with a student who has been in your shoes to help you succeed at MacEwan - from learning about campus resources to finding balance between your schoolwork and personal life.

#### **The Writing Centre**

Get feedback on your writing in-person or online to finesse your skills and ensure that you're handing in your best work.

### **WELL-BEING**

#### **Safe at MacEwan**

The safety of our students is top priority. Head to [MacEwan.ca/SafeAtMacEwan](https://www.macewan.ca/SafeAtMacEwan) to learn more about initiatives on campus, including 24/7 security services, how to access emergency assistance and support, and the Safe@MacEwan app, which sends important notifications to your device.

#### **Access and Disability Resources**

If you are a disabled student or have a medical condition, we offer a variety of supports and accommodations, such as in-class support and exam services.

#### **Office of Sexual Violence Prevention, Education and Response (OSVPER)**

The OSVPER helps create and strengthen our culture of consent by raising awareness and providing learning opportunities on campus. We also offer support to anyone who has been affected by sexual violence.

#### **Mental and Physical Health Supports**

Students have access to all medical services offered through the MacEwan University Health Centre, located next to campus. In-person individual and group counselling is offered through Wellness and Psychological Services, while peer-to-peer support can be found through the Students' Association of MacEwan University's (SAMU) Peer Support Centre.

### **CAMPUS COMMUNITY**

#### **kihêw waciston Indigenous Centre**

kihêw waciston, which means "eagle's nest" in Cree, is a home away from home for MacEwan University's Indigenous students, offering personal, academic, financial and cultural support.

#### **MacEwan International**

MacEwan International supports international students in achieving their academic goals during their time on campus, and researches and provides global learning opportunities for the university community.

#### **Centre for Sexual and Gender Diversity (CSGD)**

CSGD supports research, teaching, service work and initiatives related to sexual orientation, gender identity and gender expression on campus and in the community.

#### **Office of Human Rights, Equity and Inclusion (OHREI)**

OHREI works with the entire MacEwan community to create a campus that is free from discrimination through learning opportunities, policy development, events and initiatives to promote equity and diversity. Students are also able to access support if they've experienced discrimination on campus.

# GRIFF NATION

The Griffins Athletics program provides a quality post-secondary experience. Our student athletes strive for excellence in the classroom, on the playing surface and in their communities.

We're proud members of Canada West and U SPORTS, where our champions and all-stars compete for conference and national titles in basketball, hockey, soccer and volleyball.

## WE ARE ALL GRIFFINS

# ACTIVE LIVING

STUDENT LIFE

Achieve your fitness goals and learn new skills and routines, all without leaving campus.

Your student fees cover your membership to the Christenson Family Centre for Sport and Wellness. Use the fitness centre, pool facilities and three-court gymnasium to improve both your physical and mental health. Don't forget to check out the spin, yoga and aerobics studios!

## STUDENTS HAVE ACCESS TO:

- › Free daily classes
- › Registered specialty classes
- › Fit Buddy sessions for guidance or orientation
- › Discounted sports leagues
- › Special events

Head to [MacEwan.ca/SportAndWellness](http://MacEwan.ca/SportAndWellness) to see everything the facility offers.

## CHAMPIONS

In November 2021, the Griffins women's soccer team defeated Trinity Western 3-2 to capture the first U SPORTS national championship in program history. This was MacEwan's first national championship since the university joined U SPORTS in 2014.

# SAMU

The Students' Association of MacEwan University (SAMU) is an organization that works independently from MacEwan University to support students. Our purpose is to enrich the student experience by focusing on students' non-academic needs through various programs, services and events.

Governed by elected student representatives who set the strategic vision, we strive to ensure that all students benefit from a vibrant student life and a culture of empowerment.

SAMU builds a positive student experience by creating a place to engage and connect, being a champion for all students and providing opportunities that allow them to get the most out of their educational journey:

- › Health and dental benefits
- › Academic advocacy
- › Student groups
- › Safe Walk
- › Peer Support
- › Fall Fest & other amazing events
- › Student food bank - The Pantry
- › U-Pass
- › *The Griff*, MacEwan's student publication

Learn more about our offerings, or how to get involved at [SAMU.ca](http://SAMU.ca)

# LIVE ON CAMPUS

Living in Residence places you steps away from classes, downtown amenities, landmarks and nightlife. Develop lasting friendships and benefit from a close-knit, vibrant community of hundreds of other students by attending game nights, study sessions, campus events and more.

## FUND YOUR EDUCATION

# FUND YOUR EDUCATION

#### COSTS

The cost of your education will vary based on your program of study. Additional costs like textbooks and tech necessary for your coursework – as well as the cost of living – should be considered when planning your finances.

Your tuition and student fees already cover a few expenses, like a U-Pass for transit and a pass to MacEwan Sport and Wellness. For a breakdown of your MacEwan-related fees and costs specific to your program, head to [MacEwan.ca/TuitionFees](https://MacEwan.ca/TuitionFees)

#### SCHOLARSHIPS, AWARDS AND BURSARIES

MacEwan offers hundreds of unique scholarships, bursaries and awards annually to incoming and current students. Scholarships are awarded based on academic achievement. Bursaries are given based on financial need and awards are often based on criteria such as volunteerism and leadership. Individual scholarships, awards and bursaries may have additional eligibility requirements, so visit [MacEwan.ca/Awards](https://MacEwan.ca/Awards) for more information and how to apply.

Information is as of July 2023. Visit [MacEwan.ca/HighSchoolSubjects](https://www.macewan.ca/HighSchoolSubjects) for up-to-date, accurate information.

Transfer credit, including previous successfully completed post-secondary coursework, IB courses (5 or higher), AP courses (4 or 5) and dual credit courses articulated with MacEwan University may be considered for transfer credit toward a MacEwan University credential. Transfer credit is assessed after an offer of admission has been made.

Transcripts received from institutions within Canada will automatically be assessed for transfer credit while an assessment of transcripts from institutions outside of Canada must be initiated by the student. After transcripts have been evaluated, a report of transfer credit assessment results is added to the Student Centre in myStudentSystem. It is the student's responsibility to review the transfer credit granted and to understand how it fits with the chosen program of study. Complete information on transfer credits can be found at [MacEwan.ca/TransferCredit](https://www.macewan.ca/TransferCredit).
